9<sup>th</sup> July 2021

Dear Parents/Carers

Just eight more days to the end of term so we are almost at the end of what has been a very strange year indeed. Although it has been a nice distraction to see England make it through to the Euro finals on Sunday night against Italy. Both Craig and Josh having been telling us that football is coming home, so enjoy the game. And for tennis fans, Wimbledon is down to the men's and women's final this weekend and if that was not enough sport, cycling sees Mark Cavendish close to breaking the most stage wins in the Tour de France.

### **Parent Governor**

I am pleased to say that Sian Holmes will be your new parent/carer governor. She will join the full governing body on 1<sup>st</sup> September 2021. A reminder that the other parent governor is Eden Geddes. Parent governors represent the views of all parents on the governing body, so if you wish to speak with them, they can always be contacted via the school office.

### **Sports Day Friday July 16<sup>th</sup>**

As I previously mentioned, pupils will be having their sports day next Friday. Unfortunately, we will not be able to welcome parents this year to watch as the logistics involved to ensure visitor safety are one hurdle too many at the end of the school year.

### **COVID – summer and autumn testing arrangements**

I realise that we are all tired of COVID but rates nationally and locally are going up once again. Therefore, thank you for all your efforts to encourage your secondary aged child to continue to test twice a week – please do continue to do this in these last few weeks of term. The last thing we would wish is to have bubbles being asked to isolate yet again. A number of local schools have had to do this.

Have a good weekend and let's go England.

Headteacher
